## President's Corner

Hi Folks:

Fall is upon us, and with it the cool nights and shorter days that start the migration of striped bass and bluefish heading our way. For me, fishing up in Raritan Bay kicked off nicely the past week with some bass in the dark and bluefish during the day.

### Something to ponder

–  
“The charm of fishing is that it is the pursuit of what is elusive but attainable, a perpetual series of occasions of hope.” John Buchan  
Here's hoping that those elusive fish will be waiting for those of us that will be at “The End” in Montauk!!!

### Tight Lines Everyone!!!

John

**The 6th annual Triple B's ..... "Berkeley Breakfast on the Beach"**

This event will be held the morning of Sunday October 22th between 9:00 AM and 12:00 PM on IBSP at Area 21. For those with beach buggies and a pass drive on up...for those without you can drive into IBSP and proceed to the parking lot marked A21. There is ample parking and restroom facilities. Just follow the path to the beach and look for the group of fishermen having breakfast next to the surf.

The Club will be providing coffee, orange juice, water, juice boxes, donuts, muffins, bagels and other assorted breakfast items including chef Yocum's infamous "egg scramble". Feel free to bring anything you would like.....homemade specialties are always appreciated.

Notification of cancellation due to weather will be posted on Grumpy's website: [www.grumpystackle.com](http://www.grumpystackle.com) and here on our BSC Facebook page.

If you have any questions please call Tony Senatore at 732-552-1529 or Mark Yocum at 215-285-8587. If we are lucky, the weather will hold off and the fish will be beaching themselves looking for breakfast. Please join us and have some fun with the Club.

Hope to see you there!
